The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box contains the text 'EffectSystem::BaseCalculate'. The bottom box contains the text 'JsonReceiver::WriteAction' on the first line and 'Object' on the second line. On the right, there is a single box containing the text 'AbilityAction::ReturnAbilityType'. Two blue arrows point from the right side of the left boxes to the left side of the right box. The arrow from the top box points to the top of the right box, and the arrow from the bottom box points to the bottom of the right box.
