

ModuleRules

```
classDiagram
    class ModuleRules {
    }
    class Battle_Box {
        + Battle_Box()
    }
    Battle_Box --|> ModuleRules
```

The diagram shows two class boxes. The top box, 'ModuleRules', is white with a thin gray border and is divided into three horizontal sections. The bottom box, 'Battle_Box', is gray with a thick black border and is also divided into three horizontal sections. A blue arrow with an open triangular head points from the top of the 'Battle_Box' box to the bottom of the 'ModuleRules' box, indicating that 'Battle_Box' inherits from 'ModuleRules'.

Battle_Box
